Hon. Commissioner for Patents
Washington, D.C. 20231

Sir:

Further to the Information Disclosure Statements (IDS) previously submitted on September 24, 2002 in this application, attached is an International Preliminary Examination Report for a related international Appln. No. PCT/US00/06940.

This Information Disclosure Statement (IDS) is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully.

Should a first Office Action on the merits have been mailed before today, please consider this a request under Rule 97(c) to consider this IDS in lieu of certification and charge the Rule 17(p) Official fee to our Deposit Account No. 14-1140 under Order No. 2370-67 for which purpose this paper is submitted in duplicate.

As provided by 37 CFR §§ 1.97(g) and (h), no inference should be made that this information and the listed references are prior art merely because they have been submitted for consideration. Furthermore, no representation is being made that a search has been conducted or that this statement encompasses all possible material information.

Consideration of the foregoing and enclosures, as well as the return of a copy of the Form PTO-1449 with the Examiner's initials per MPEP § 609, are earnestly solicited. The Examiner is invited to contact the undersigned if further information is needed.

Respectfully submitted,

NIXON & VANDERHYE P.C.
